

## Business Spotlight

**Project CHILLD.** 500 Cummings Center, Suite 3850, provides pediatric occupational therapy, speech/language therapy, integrated sound therapy, and neurofeedback services for a variety of age groups. A proud member of the Beverly community for more than 19 years, this pediatric healthcare center has been offering telehealth services since the onset of the COVID-19 pandemic. The clinic recently reopened for in-person therapy and follows strict safety and cleaning requirements. Telehealth services will continue for families that prefer to proceed from a distance. For additional information, email [info@projectchilld.com](mailto:info@projectchilld.com) or call 978-232-0332.

## Noteworthy News

**Build Health International**, 100 Cummings Center, Suite 120-B, was recently featured in *The Boston Globe* for its contributions to COVID-19 relief in Haiti. The nonprofit organization has been working to bring much-needed medical supplies and infrastructure to hospitals on the underserved island nation. For more information, read the [full article](#).

## Friendly Reminders

**TRASH**

**TALK**

**Talking Trash:** All Cummings leasing clients and their cleaning contractors are reminded to please observe some simple guidelines for trash removal. Please remember that the trash and cardboard compactors are for normal office waste only. When trash is placed in one of the compactors, the compactor ram *must* be operated *through a complete cycle* to prevent overflows and jams. Inappropriate and oversized items, such as furniture, are not to be disposed of in the compactors or left on any loading dock. Open top containers at the 141 loading dock at Cummings Center are for Cummings Properties' construction use *only*. Client firms are welcome to contact [Junk King](#) at 978-212-3973 for removal of

large items.

**Cleaning Clients:** Cummings Center is home to a variety of businesses, including commercial and residential cleaning companies. Please keep your neighboring firms in mind to meet your cleaning needs.

## Simple Smiles

Due to the high level of participation, the Simple Smiles segment will continue as a community bulletin board of sorts to help everyone start the week off with a smile. We are inviting all North Shore News readers to submit photos of something or some place that always makes them smile. Please refrain from sharing photos that feature people.

## Shoe Snippets

*Fun facts about the historic Cummings Center site, formerly known as "The Shoe"*

The Shoe designed and manufactured nearly all of the major parts in its shoe-making machinery, effectively dominating the world market for this type of equipment. It created more than 300 different machines that could be purchased or leased, depending on a company's needs. The Shoe's research division reportedly registered more than 9,000 U.S. patents over the course of its lifespan.
