COMING SOON

Breakfast | Lunch

Plans are well underway for the anticipated late-July opening of Big Sky Bread in the space formerly occupied by Al's Café. Big Sky's owner has successfully operated several local eateries with varying formats, including Bagel Land, Nu Kitchen, and Gluten Free Me. Although some details may change as plans develop, we expect that the new café will be open weekdays from 7 AM to 3 PM and will offer breakfast and lunch. The menu will likely include smoothies, sandwiches, salads, soups, and grain bowls.

Deltek

[Deltek](#) recently acquired [ConceptShare](#), which streamlines the online proofing, review, and approval processes of marketing and creative work for agencies and in-house creative teams. The Company will offer ConceptShare as a stand-alone solution and will also integrate the platform into WorkBook

Friendly Reminders

Pass the Mustard, Hold the Ketchup: Now that it is barbecue season, on-site firms are reminded that TradeCenter offers a pleasant, no-cost venue for pond-side company picnics. **Pondside Park** includes benches, a charcoal grill, and cornhole boards. Clients may reserve the use of the park and the charcoal grill *free of charge* on a first-come, first-served basis. Online service call reminder: Is there a maintenance issue that needs to be addressed? Cummings Properties provides maintenance services Monday through Friday (except holidays) from 7 AM through 4 PM for all building standard equipment. Clients may request service calls online by visiting [cummings.com/service_call](#). This

system not only offers a quick and easy way to report a maintenance issue but also helps expedite service. Clients can add this system to their smartphone home screens by tapping the "Share" icon (for iPhones) and selecting "Add to home screen." Android users can tap the menu button and then select "Add to home screen."

If preferred, clients may still place a service call to 781-935-8000. Service requests are dispatched in the order received and generally responded to before the end of the next business day.

As a reminder, local police or fire departments should always be notified first in the event of a life safety emergency (e.g., fire, accident, burglary). Similarly, suspected gas leaks should be reported directly to the appropriate gas company.
