ELECTRIC POWER SHUTDOWN SATURDAY, FEBRUARY 11 BETWEEN 1 AM and 9 AM

Please be advised that Eversource has re-scheduled the power shutdown at 10 Gill Street and 12 Gill Street for **Saturday, February 11, 2017, beginning at 1 AM and ending at approximately 9 AM** to replace a faulty transformer. Electric service to both buildings will be disconnected during this time.

Please take any necessary measures to safeguard your equipment. Most electronic equipment manufacturers recommend surge suppressers for computers, telephone systems, fax machines, alarm systems, and other items. Some advise disconnecting or unplugging such equipment until after service is fully restored. If you have questions, please contact the equipment vendors.

We apologize for any inconvenience and appreciate your cooperation. Please contact your account manager, Tony Spencer, with any questions.
