Notice to Clients

**38 MONTVALE AVENUE
COURTYARD CONSTRUCTION
TUESDAY AND WEDNESDAY, DECEMBER 6 AND 7**

Due to a drainage pipe being consistently backed up in the rear courtyard area of 38 Montvale, there will be some construction happening throughout the daytime hours on December 6 and 7 to do some digging and fix the problem. This will allow for better drainage during and after storms going forward. The rear entrance will still be accessible; however, we ask that clients be mindful of the construction and use caution when walking through the area.

We apologize for any inconvenience this may cause and appreciate your cooperation. If you have any questions, please call me directly at 781-983-2220.
