Smoking Reminder

There have been recent complaints by clients and visitors to 600 West Cummings Park that individuals have been smoking just outside the building, close to client's windows, and in front of the main entrances.

As a reminder, smoking is prohibited in all Cummings Properties buildings. Individuals who wish to smoke are required to do so *outside* the building, no *closer than 30 feet from any entrance, window, walkway, or loading dock.*

Thank you in advance for your cooperation.
