Friendly Reminders

Most parking spaces immediately adjacent to Cummings Center buildings are designated for short-term use only. These spaces are expected to turn over frequently to provide convenient access to visitors and patrons of the more than 600 on-site businesses. Short-term spaces are identified by signage and are monitored throughout the day. **Reminder/violation stickers will be placed on vehicles parked for extended periods, and repeat violators will be towed at the expense of the vehicle owner.**

Employees of on-site businesses, and others whose vehicles are expected to be on site for significant periods, are encouraged to park in one of Cummings Center's four large garages or in open lots away from the buildings, where there is ample parking available throughout the business day. For assistance identifying convenient all-day spaces, or for any questions about parking at Cummings Center, please contact the Leasing Office at 978-922-9000. Thank you for your cooperation as we work to ensure beneficial and sustained commerce at our thriving business center.

Shoe Snippets

Fun facts about the historic Cummings Center site, formerly known as "The Shoe"

The restoration and transformation of the 2 million-square-foot Shoe site was one of the world's largest industrial plant recycling projects. Approximately 32 acres of interior space were completely restored. Some of the original structures are still visible. For example, the 100-E and 100-L glass entrances of 100 Cummings Center were built around the existing concrete structure.
