Friendly Reminder

End-of-the-Day Routine: Please ensure all windows and doors (including deadbolt locks) are completely closed and latched shut to prevent unauthorized access—from individuals and pests—and the damaging effects of wind and rain on interior décor. Also, before you go, check for running toilets, as one running toilet could easily cost as much as \$50 *per day* in water and sewer charges. Request a maintenance [service call](#) for any toilet that does not properly shut off after each use.

We want to hear from you! Do you have news or a great photo to share? Is there a special you'd like to offer to Cummings clients? Email your news, offers, and photos to Helen at newsbrief@cummings.com.

Simple Smiles

Simple Smiles was created to help everyone start the week off learning, imagining, and smiling. We invite all North Shore News readers to submit photos of something or some place they find interesting, informative, or exciting. Please refrain from sharing photos that feature people.

Shoe Snippets

Fun facts about the historic Cummings Center site, formerly known as "The Shoe"

The Shoe's employees began and ended each shift by "ringing in" at a time clock. All the clocks were wired into a master clock, ensuring that they remained synchronized. A restored clock can be seen today at the Cummings Center leasing office.
