## Can it be worth a few customers?

### You supply...

Cummings Properties offers resident firms this advertising opportunity by making display panels available throughout many Cummings common areas. These panels may feature an ad, artwork, or other marketing material describing your company's services. Panels are then rotated periodically among several Cummings buildings, ensuring your panels receive a fresh audience.

Please contact **your leasing/property manager** in the Cummings Properties leasing office for more information on reserving space for up to six units at no charge. For help with designing and/or producing an attractive, professional display, contact one of the firms listed below (*be sure to specify Cummings size panels*).

\* Please note display panels must receive approval from Cummings Properties' design department before fabrication.
