HEAVY RAIN AND WIND ADVISORY

According to the National Weather Service, a flood watch is currently in effect through tomorrow morning. Up to three inches of heavy rain is expected throughout the night, accompanied by strong winds.

Please monitor weather forecasts and be prepared to take action should flash flood warnings be issued. Before leaving this evening, please be sure to close all windows and safeguard electronic equipment as power outages may occur. ***Please be mindful of conditions in parking lots and garages, and on roadways and other areas typically susceptible to water accumulation. Please take precautions as necessary.***
